1 UPC per 25 pack: 082123-76050-4

Enhances Personal Protection in Medical & Industrial Environments Made in USA!

Washable: top quality materials are machine washable.

Durable: survives multiple washings.

Two layers of material for dual filtration:

- Synthetic layer is moisture absorbent & dust resistant.
- Second layer is premium quality soft, bleached cotton material.

Anti-fog: Wear the synthetic layer against the face & moisture absorbent layer reduces fogging of eyeglasses & safety glasses.

Comfortable: Wear the cotton layer against face for soft flexible fit.

Pleated for expansion to cover both nose & mouth.

Wire nose piece sewn in for firm but comfortable fit.

**Dico Products by Divine Brothers Co is a manufacturer of
Textile goods since 1892.**
