Arbor Adapter for Drills

7600073: bulk, 100 pack

7600076: retail packaged, 10 pack

Hex shank Arbor Adapter

Use your drill in more ways than ever!

- 1/4" hex shank provides best grip in power drills.
- Quickly change accessories!
- 1/2" threaded stud adapts Dico packaged buff wheels.
- Ideal for any drill accessory that has a 1/2" arbor hole.
- Includes 2 washers & hex nut.
- Solid steel construction.
- Always wear safety glasses & dust masks when using Dico power tool accessories!
